CONTENTS

The sources of the data contained herein are found in the Archive Center in Jackson, MO and are as follows:

<i>Circuit Court Index Book</i>	<i>Pg. 1 - 14</i>
<i>Common Pleas Court Index Book</i>	<i>Pg. 15 - 26</i>
<i>Intention Book, Ledgers "A" & "B"</i>	<i>Pg. 27 - 100</i>
<i>Box 'Loose' Records</i>	<i>Pg. 101 - 145</i>
<i>3x5 Card File by WPA</i>	<i>Pg. 146 - 156</i>

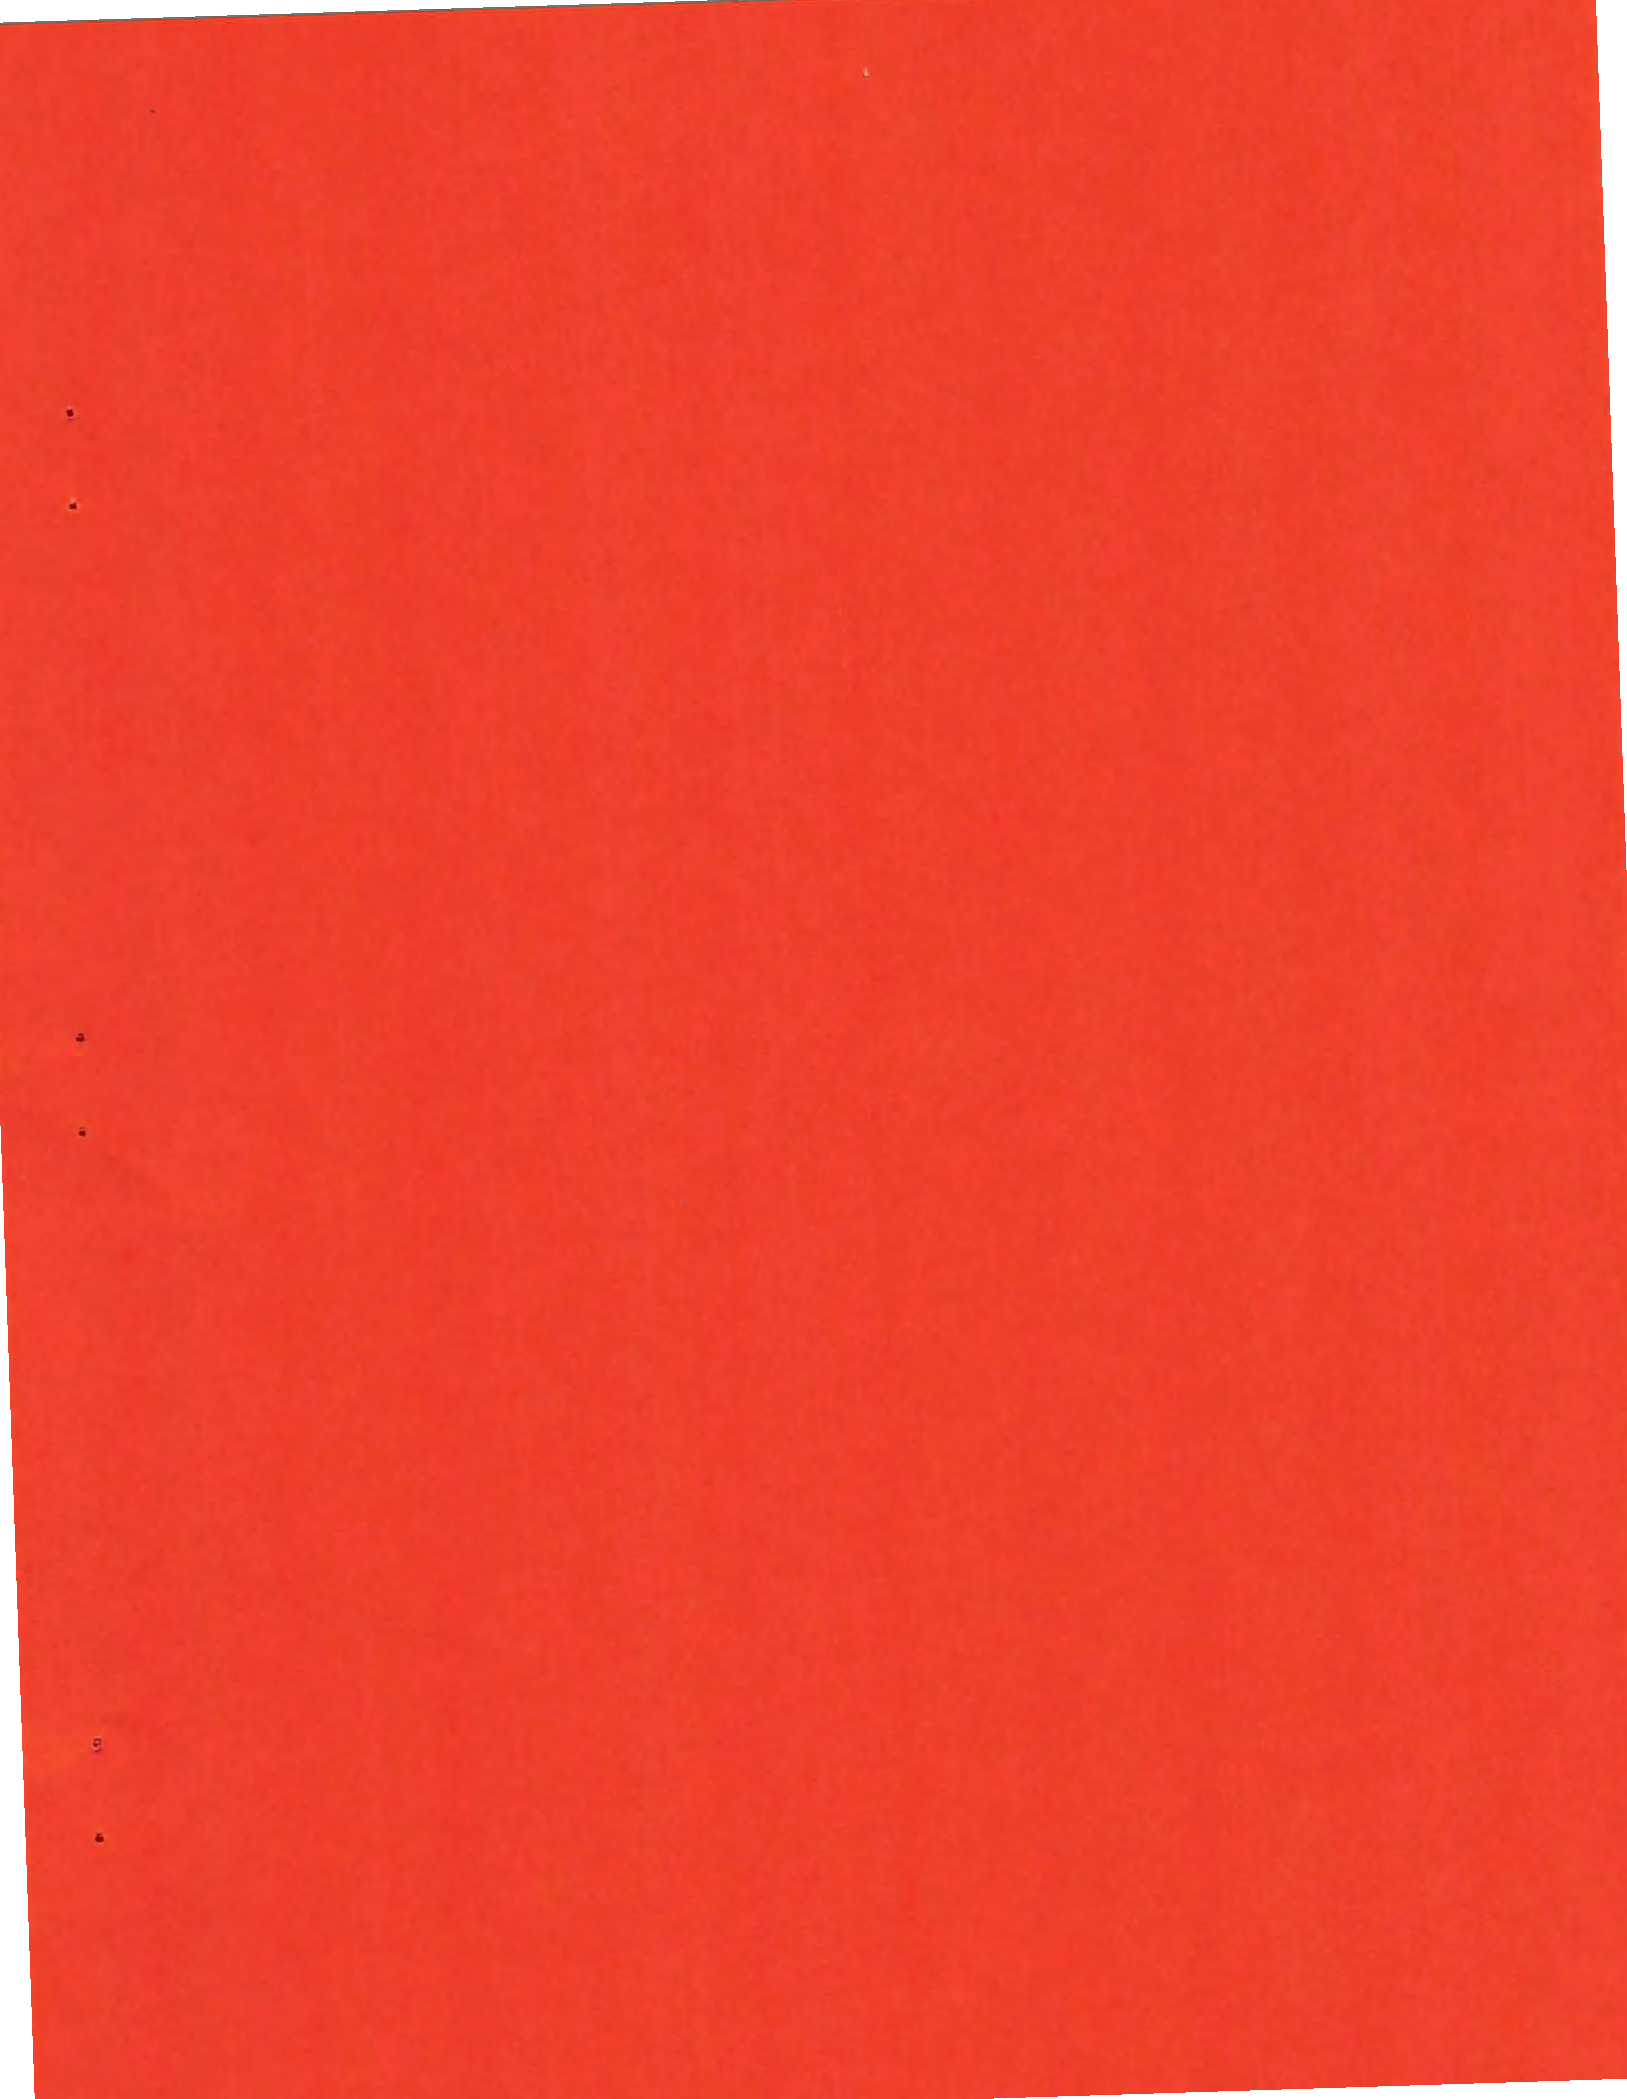

Much repetition of names is found due to the finding of more than one document and/or listing for one person, as well as many variations of spelling as interpreted by the compiler.

The notation NOI denotes "no other information".

It might be of interest to those using this record to know that in several instances, the name filled in by the Court Clerk, seemingly does not 'agree' with the actual signature of the immigrant. Therefore, if doubt exists concerning the identity of a person, you may examine the original documents at the Archive Center.

This compilation was completed in March 2003, using all records found housed in the Archive Center at the time.

A second volume is nearing completion and contains transcription of Declarations of Intent as well as Oaths of Citizenship as found in the records of Jackson Circuit Court and the records of Cape Girardeau Common Pleas Court.
