CAPE COUNTY GENEALOGICAL SOCIETY at

Saint Marys Cemetery was started in 1903 by Rev. Eberhardt Prunte, the pastor at St. Mary's Cathedral. He purchased 4 acres from Wenzel Hauptman (1841-1916) on Perry Road in Cape Girardeau specifically for the burial of the areas Catholic families. Prior to this, the families used the Catholic Section of Old Lorimer.

Photos the courtesy of Sharon Sanders, a member of Saint Mary's Cathedral.

**Wenzel Hauptman** is buried at Saint Marys Cemetery. He owned the original tract of land which Father Prunte purchased in 1903 to Create a new cemetery. Mrs. Bernice Stock & Sister Vincent Clare (Sisters of Loretto) of St. Louis are surviving granddaughters. Wenzels farm started at the intersection of Perry Road & Broadway and continued north to about present day 1600 block of Perryville Road near Cape Rock Drive.

Saint Marys has been called the **Jacob Mirley** burial ground, the New Catholic Cemetery, New Saint Vincents Cemetery and a host of other names. **DO NOT BECOME CONFUSED!!**

In 1923 **Saint Vincents College** relocated their entire cemetery from the banks of the Mississippi River to Saint Marys to allow for the placement of a rail road spur. Original records will state "seminary" or Old College burying ground. The cemetery is no longer in existence.

Please join our county's genealogical society. They are an active group and very helpful.

**OF INTEREST TO THE FIRST TIME USER:**

**LA** as a location in this work is NOT Los Angeles. It is Louisiana. New Orleans was a major point of immigration for many of our German Catholic families in the 1800's.

**JUST** because a surname isn't spelled exactly as your present name doesn't mean their not related to you. Many father, sons, and brothers have variations on the same name. These "errors" came about by the census taker or even the family members inability to read and write. Many times the priests made errors in their records because English was not their primary language. For Example: Meyer-Mayer-Maier-Meyr-Meier-Miur-Mayor have the possibility of being the same family. Also note Mainz-Mainz-Menz-Minze. Get the picture?

**ALL** surnames are spelled exactly as they appear in the original source whether it be funeral or baptismal files or newspaper obituaries.

**APOLOGIES** are made up front regarding the text. Many elderly folks memories were fading and there are errors in the obituaries.

**IF** you are able to identify the location of any of the unknown burials in this work please notify Ford & Sons Funeral Home of Cape Girardeau, Mo.

Many individuals contributed to the completion of the original 1994 work and need to be recognized:

**Mr. James "Jim" Wulfers**, a Cape Girardeau City resident, for his patience in answering my telephone calls at all hours about the German connections to this work. He met me countless times at the cemetery in the middle of winter and at other times for coffee at the local McDonalds.

A very *special THANKS* to **Ford & Sons Funeral Home**. Mr. Walter Joe Ford allowed us access to his files and notes and made this much more enjoyable and informative.

**Sharon Sanders**, from the **Southeast Missourian Newspaper**, who aided the efforts in the first printing and co edited the second edition. Sharon is the archivist/librarian for the newspaper and has handled many telephone calls and in person queries.

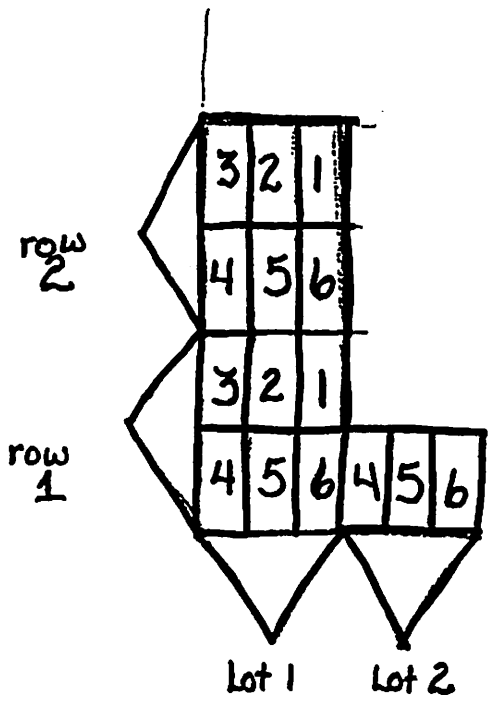

**Saint Vincent de Paul Catholic Church** and especially **Mary Irlbeck** and **Father Rich Lause C.M** for seeing the benefits of this work and being so generous with their records.

To **Brian and Adam Steele**. These two children are the soul driving force behind many genealogy projects. May they never forget where they came from and the stories and struggles of their ancestors.

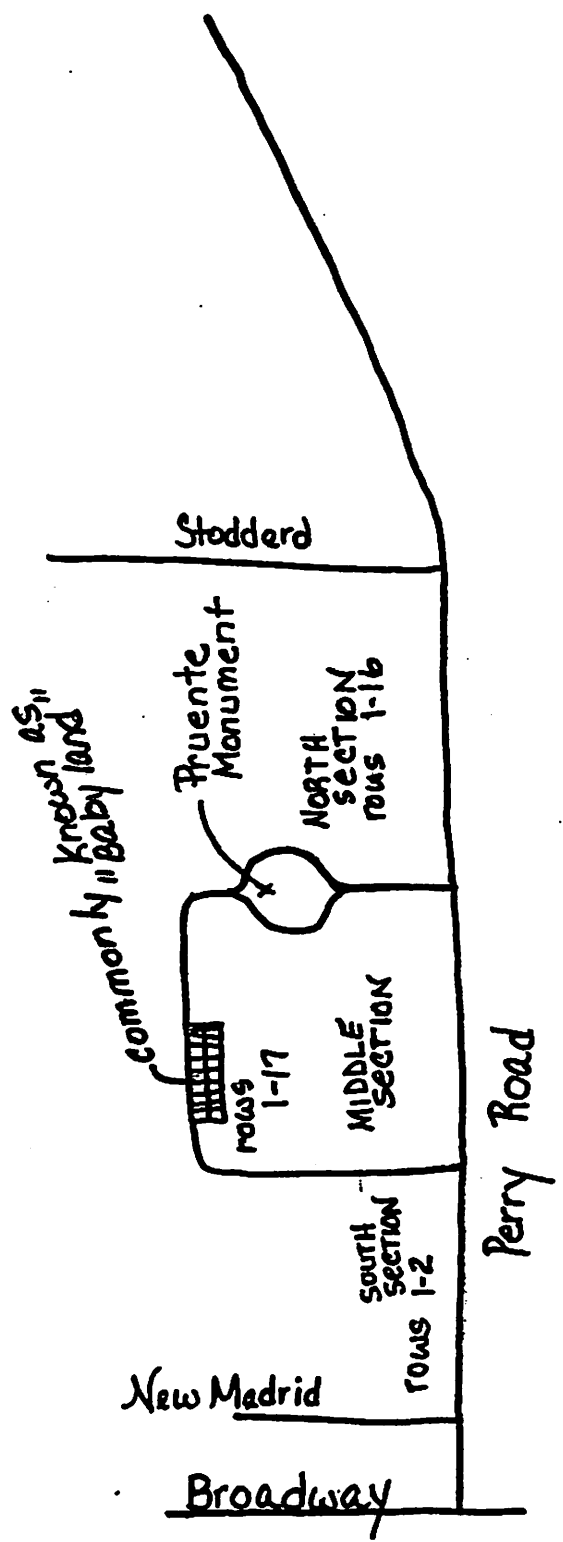

God Bless all of you

There are 2 rows of graves for each row numbered here.

# Rev. E. Pruento Dies; Pastor of St. Mary's Church for 51 Years

Succumbs to Lung Congestion and Complications  
After Injury Several Weeks Ago; Funeral  
Services to Be Held Wednesday.

Very Rev. Eberhardt B. Pruento, for 51 years pastor of St. Mary's Catholic Church, and dean of the archdiocese of St. Louis, died of lung congestion and other complications at noon Sunday at St. Francis Hospital. He was 77 years old.

Rev. Pruento conducted his last service at St. Mary's Church, Sept. 11, and complained after the service of feeling ill. He was taken to the hospital, and it was discovered that he had some time before sustained a fractured hip. Lung congestion developed and his condition since Friday had been critical.

Coming to Cape Girardeau in 1881 as pastor of St. Mary's Church, Rev. Pruento remained not only the head of a large Catholic parish, but also a community leader and friend of all. Within the past three years two celebrations, arranged by the parish, were community affairs, one observing his 50th anniversary as a priest and the other 50 years as pastor of the church.

#### Body to Church.

The body was removed at 10 a. m. today from the Walther Funeral Home to St. Mary's Church, where it will lie in state until 10 p. m. Wednesday, when funeral services will be conducted.

Surviving Rev. Pruento is a sister, Miss Mary Pruento, who has been with him as housekeeper ever since he came to Cape Girardeau. He is also survived by a brother, Henry Pruento, and two nephews and a niece, all of St. Louis.

Rev. Pruento was born Jan. 28, 1855, in the rural town of Westoennen, province of Westphalia, in the former kingdom of Prussia. He was a son of Henry Pruento and Angela Haara. With his brother and sister, Peter, Henry and Mary, he spent the early years of his life in his native town. His mother died while he was yet a small boy.

#### Early Attached to Church.

His desire to become a priest was manifested early in life. At the age of 6 years he entered the elementary school of Westoennen. He loved at this time to serve mass and to be about the church. After some private instruction in Latin, at the age of 14 years he continued his studies in the city high school in the nearby town of Werl, and later at the Gymnasium of the ancient governmental city of Arnberg.

Rev. Pruento had often expressed a wish to carry out his life's work in America, so, at the age of 19 years, in the fall of 1874, he came to this country without the aid of finances from friends or relatives. Two of his

schoolmates who had planned to come to this country with him backed out.

He arrived in New York in the last week of October, 1874, and then came direct to the seminary of St. Francis, near Milwaukee, Wis. It was election day, the first Tuesday in November. As he arrived too late to enter the course of philosophy for that year, Rev. Pruento devoted himself during the following few months to private literary occupations, particularly the study of English, of which he had already acquired some knowledge in his native country.

#### To St. Louis Diocese.

Shortly before the beginning of the succeeding scholastic year Rev. Pruento obtained, through a relative priest, Rev. Frank Ruess, then assistant pastor at St. Peter and Paul's parish, admission into the archdiocese of St. Louis, from the Vicar General, Rt. Rev. H. Muehlstein. He spent his summer vacations at the parish rectory of St. Peter and St. Paul's church. The pastor of this parish at this time was Rev. F. Goller, and in addition to Rev. F. Ruess his assistants were Rev. H. Groll and Rev. Wm. Klovinghausen. During those vacation months he gave instruction to young men wishing to enter the priesthood. Of these who are yet living are the Very Rev. C. Van Tourenhaut and Rev. J. Rothensteiner. It was while still at the seminary that Rev. Pruento's father died, on May 30, 1878.

MONDAY EVENING, SEPTEMBER 26, 1932.

Rev. Pruento was ordained into the priesthood by Bishop Heiss on June 29, 1879. Of the 32 priests ordained in the class at that time eight belonged to the archdiocese of St. Louis. Rev. Pruento was the last survivor of that number. He celebrated his first mass in the new St. Peter's and St. Paul's Church in St. Louis on the Feast of the Most Precious Blood on July 6, 1879.

Following his ordination Rev. Pruento substituted for Rev. Ruesso for six weeks and then was appointed assistant to the Rev. Moeller at St. Peter's Church at St. Charles. It was while at St. Charles that he became acquainted with the Very Rev. Joseph Selinger, now pastor of St. Peter's Church in Jefferson City, to whom he gave some final instructions preparatory to his entry into the Seminary. Of these whom he prepared for the same purpose at Cape Girardeau were the Rev. Christopher Precker and Rev. Victor Stepke.

#### To Cape in 1881.

At the request of some of his former professors in the Seminary, Rev. Pruento undertook while at St. Charles the translation and adaption to the use in American colleges and Seminaries of H. Bruech's Church History and finished this important work at Cape Girardeau. He came to this city at the close of the year 1881 to succeed Rev. F. Willness as parish priest of St. Mary's.

Rev. Pruento had always been a staunch friend of the Catholic press. He contributed to many Catholic publications and was known over the country as an author of religious articles.

#### Service to Parish.

St. Mary's parish for formed in 1868 for the German Catholic people of Cape Girardeau. Until that time the spiritual needs of

the people had been provided for through Fathers of the Congregation of the Mission. Rev. Julius Herde was the first appointed priest of the parish. He was succeeded in turn by Rev. Gells, Rev. W. Henssen, Rev. Henry Schmidt, Rev. Sosthenes Kleiser, Rev. Wm. Soumenschein, Rev. Francis Willness and Rev. Pruento.

The parish prospered greatly during the priesthood of Rev. Pruento. Immediately upon his arrival from St. Charles Rev. Pruento undertook to erect a new school. In 1885 a new two-story parish house was built and in 1899 two additional rooms were built. The Silver Jubilee of the church was celebrated in 1893.

The Golden Jubilee of St. Mary's parish was celebrated on April 8, 1914.

#### Given Assistant.

In September, 1921, Rev. Pruento assumed charge of St. Edwards Church at Doughton, in order to attend this mission and also assist Rev. Pruento at St. Mary's. Archbishop John J. Glennon appointed Rev. Henry J. Schlueter. Two years later Rev. Schlueter was succeeded by Rev. Louis H. Bruns. In January, 1928, the charge of the mission at Doughton was given to Rev. John Wieberg of Advance and from that time Rev. Pruento was given the full service of an assistant.

Rev. Bruns was transferred to Sancta Maria in Ripa, the motherhouse of the School Sisters of Notre Dame, as chaplain of this institution in September, 1928. On Friday, Sept. 21, 1928, Rev. Leonard M. Steinhilber, the present assistant, came to Cape Girardeau.

On July 3, 1903, the 25th anniversary of Rev. Pruento's ordination was celebrated auspiciously. Shortly after Christmas in 1929, Cape Girardeau churches, Catholic and Protestant, joined in celebrating Rev. Pruento's 50th anniversary in the priesthood, and last year his 50th anniversary as parish priest was observed.

Rev. Pruento had always been a firm believer in Catholic education for the youth of his parish. One of his first achievements on coming to Cape Girardeau was the erection of a new school building. In 1875 the Sisters of St. Francis, who were in charge of the hospital here, undertook the teaching of the school and did so successfully for 24 years. In 1903 it was taken over by the school sisters of Notre Dame. The new school was erected in 1912.

St. Mary's High School was established in 1925, the present property at 131 South Spring Street being bought for that purpose. The building serves as a joint high school and residence for the sisters.

## St. Mary's Cathedral pastor for decade dies at 83

Monsignor Joseph Henry Huels, 83, pastor of St. Mary's Cathedral in Cape Girardeau for 10 years and associated with the cathedral parish for almost 26 years, died Friday, April 16, 1992, at St. Francis Medical Center.

Msgr. Huels was born Sept. 8, 1909, in St. Louis, son of Joseph and Mathildis Richter Huels.

He was educated at St. Margaret's and St. Louis Preparatory Seminary in St. Louis, and Kenrick Seminary at Webster Groves.

He was ordained June 10, 1934, at Kenrick Seminary as a diocesan priest in the Archdiocese of St. Louis.

He is survived by a brother, the Rev. Vincent Huels of Florissant; a sister, Amelia (Betty) Jones, of St. Louis; a nephew; and four nieces.

He was preceded in death by a brother, a sister and two nieces.

Msgr. Huels was associate pastor at St. Steven's Catholic Church in St. Louis from 1934 to 1943. At the same time he volunteered his work at the Catholic Worker in St. Louis. During those Depression years, the Catholic Worker fed 300 people daily and sheltered about 50 each night.

He was a chaplain in the U.S.

**MSGR. JOSEPH H. HUELS**

Navy from 1943-46, and then began study at Notre Dame University where he earned a master of education degree.

He then was named director of McBride Catholic High School in St. Louis, serving in that position from 1948-1950.

From 1948 to 1957 he was associated with the following churches: associate pastor of St. Agatha and St. Rose of Lima in St. Louis; pastor of Sacred Heart Churches at Elsberry, Caruthersville and Poplar Bluff; appointed administrator of Missionary Apostolate in the

Poplar Bluff Deanery; administrator of the parishes of Malden and Wilhelmina, and parishes of Campbell, Neelyville, Piedmont, Williamsville and Van Buren, and was appointed a member of Diocesan Commission for Sacred Music and Liturgy.

During his stay at Caruthersville, Msgr. Huels began an experimental ministry called Missionary Apostolates, which was a plan to place newly-ordained priests into rural churches through an internship program. He had charge of seven churches and spread the new priests around these parishes so they could learn ministry. He administered the plan for 15 years. It was because of this work that he was honored with the title of monsignor in November 1957.

In January 1967 he was elected Diocesan Senator, and became pastor of St. Mary's Cathedral Aug. 19. He was moderator of the Diocesan Commission on Ecumenism, diocesan representative to the Missouri Catholic Department of Ecumenism and Interfaith Affairs, and as diocesan observer to the Missouri Council of Churches.

On Aug. 1, 1977, at his own request, he relinquished the pastorate

of St. Mary's because of ill health, but continued as associate pastor.

On Jan. 1, 1988, he retired, but continued his priestly ministry on a limited basis as Senior Priest in Residence at St. Mary's.

Except for the Rev. Eberhardt Prunte who served St. Mary's for 51 years, Msgr. Huels' tenure has been the longest at the local church.

In a 1988 Southeast Missourian story concerning his retirement, Msgr. Huels spoke of his vocation to the priesthood: "Being a priest was my objective since the fifth grade. It's still my objective. I'm going to try to die with my boots on as a parish priest."

Service will be held at 11 a.m. Monday at St. Mary's Church, with Bishop John Leibrecht officiating, assisted by Msgr. Richard Rowling and the Rev. Vincent Huels, joined by the priests of the Springfield-Cape Girardeau Diocese. Burial will be in St. Mary's Cemetery.

Friends may participate in a welcoming service at 5 p.m. today at St. Mary's Church. A Parish service will be held at 7 p.m., a rosary with parish organizations at 8 p.m., and prayer service at 9 p.m.

Lorberg Memorial Funeral Chapel is in charge of arrangements.

## DEATH CLAIMS PIONEER SHOE STORE FOUNDER

**Joseph Barenkamp, 81, Succumbs; Operated Store Here for 50 Years.**

Joseph Barenkamp, 81 years old, for more than 50 years proprietor of a shoe store on Broadway, died from infirmities of advanced age at his home at 734 William street at 11 a. m. today.

Enjoying good health almost to the end, Mr. Barenkamp, known to hundreds of Girardeans while he was actively engaged in business, retired only a few years ago. For the past few years, he had been required to remain at home because of his failing eyesight, but even until Monday enjoyed conversing with members of his family and friends.

He was actively associated with his son, Joseph Barenkamp II, in the management of the shoe store until a few years ago.

### Born in Germany.

Born in Bocum, Germany, Dec. 8, 1846, he remained there and attended school until 14 years of age when at his own request he was allowed to take up the trade of shoe-making, and accordingly his father placed him in a tanyard to learn the first essentials of the business.

When he was 20 years old he came to America, first engaging in boot-making in Chicago, where he worked about two years. Later he moved to Florissant, Mo., 16 miles north of St. Louis, then to Grand Tower, Ill., where he worked for about six months.

Barenkamp came to Cape Girardeau in the fall of 1859, and bought a small shoe repair shop at 705 Broadway a short time later. This business operated for 50 years, expanding into a retail concern. He once desired to retire several years ago, but upon reconsideration decided to stay in business until he had worked out 50 years at the trade. He was regarded as a master boot-maker, being among the first to engage in such a business here.

### Married 54 Years.

On July 1, 1873 he was married to Miss Annie Huerling, who also came to America from Germany. The couple met in Cape Girardeau, where Mrs. Barenkamp had lived since she was a small child. Mrs. Barenkamp, who is now 74 years old, survives her husband.

Barenkamp was a member of St. Mary's Catholic church, joining the congregation soon after he came to this city. For more than 25 years he was a trustee and treasurer of the church. He was also a member of the St. Joseph School Association of the Catholic church, known as a man of the strictest honesty. Barenkamp held the high esteem and admiration of hundreds during his life.

### Four Children Survive.

Seven children were born to Mr. and Mrs. Barenkamp, four of whom are living. Two sons, Joseph H. II, and A. J. live in Cape Girardeau, and other son, W. F., lives in St. Louis. A daughter, Mrs. Fred Wenecker, lives in St. Louis. Fourteen of the grandchildren are living, and there are five great-grandchildren.

A son, Leo, who lived in Cape Girardeau, died several years ago; two daughters, Mrs. John Unnerstall and a William Bauman of Cape Girardeau, also are dead. One sister, Mrs. Mary Knaup of St. Louis still survives. Three sisters, Annie, Marie, and Katherine, and another whose name is unknown, live in Germany. Funeral services will be held at 1 o'clock Thursday morning at St. Mary's Catholic church. Services will be conducted by Rev. E. Pruntes, pastor. Interment will be in St. Mary's cemetery.

Surviving are two daughters, 1 son, 10 grandchildren, 27 great-grandchildren and 1 great-great-grandchild.

### George Walter

Mr. Walter worked for Marquette Cement Co. for 37 years, retiring as a foreman in 1969. He lived most of his married life here, having moved to Cape Girardeau from Scott City.

## AGED MAN WHO DROPPED DEAD

### ADVENTURER ON LAND AND SEA

Driven from Mexico by bandits who forced him to abandon holdings in a gold mine said to have been valued at more than \$200,000, Harvey Thompson, aged janitor at St. Vincent's college, who dropped dead in the lobby of the Cape Girardeau post office late Monday afternoon, died a poor person except for what savings he had accumulated in the 10 years he had been here.

A veteran of the Civil War, but unable to draw a pension because of the loss of his army papers, the old man, a widely known character about town, was forced during the last years of his life to tend furnaces and take care of the buildings of the Catholic college for a living.

A stroke of apoplexy, causing death suddenly, brought to a close a varied career that had led the aged man from coast to coast in America, far out on the seas in the Pacific ocean and deep into Mexico, in search of adventure and fortune. His was a life of adventure from the time that he was born at sea in the New York harbor, until the time he finally gave up his ramblings and settled down as a janitor here to spend his remaining years in peace and quiet.

His parents, migrating from Ireland to America, were blessed with a son while the ship in which they made the trip was waiting to enter the port at New York. That was in 1844 when sailing ships were used to make the trip across the seas, and the boat was nearly three months in making the journey.

#### Fought In Civil War.

After leaving the ship at New York, the lad's parents made their way to Illinois, where he grew up. When only 17 years old he enlisted in the Union army to fight in the Civil War and his career of adventure started. He followed General U.S. Grant in his marches up and down the country, and luckily escaped serious injury.

Following the close of the war, he returned to Illinois and worked there a time in the coal mines, but this humdrum existence did not suit him, and he soon bade goodbye to his parents and left for the West. Before he left he served for a time as city marshal at Jonesboro, Ill.

Years of traveling in all parts of America followed. He worked for many years aboard a whaling ship plying in the Pacific ocean. Then came the lure of gold, and with several companions he invaded Mexico, where they located a gold mine in Chihuahua, which, according to his statements to friends here, his part was worth at least \$200,000.

He continued at work in the mine until the Carranza-Villa insurrection several years ago, when he and his companions were warned to get out of Mexico. They refused and in a battle between them and Villa's men, three of his companions were slain. His life was spared and he was imprisoned for several months, being released when he promised that he would leave Mexico. He came to Cape Girardeau and obtained a position as janitor, a place he has held since that time.

Typically Irish, Thompson had no love for the English and recent outbreaks in Ireland always found him on the side of Erin. He was a great friend of the late Thomas C. Powers, and his death was greatly regretted by Thompson.

Thompson was a familiar figure at St. Vincent's church. In spite of his age he was extremely active, and he performed his duties with diligence.

#### Faithful Worker.

This diligence characterized him to his death. At the time of his demise late Monday he had kindling laid for the fires at the college, coal in place and everything in readiness for the morning fires.

The salary received from the college was spent liberally and his only effects were his clothes and a few interesting trinkets. He is not known to have any living relatives.

Funeral services will be held Wednesday at 8 a.m. at St. Vincent's Catholic church. Father Le Sage, president of the college and close friend of the deceased, will have charge of the services. Interment will be in the college cemetery.
